

## **Nominations Open for Agar Stringer Award**

Sometimes "Bringing the Industry Together" means taking a moment to pay tribute to our own.

Two trail blazing icons, founders of Okanagan Helicopters, inspired the creation of the Carl Agar/Alf Stringer Award for outstanding contribution to the Canadian Helicopter Industry. From time to time HAC bestows that Award upon someone who has followed their lead. To that end, we invite you to let us know who you think deserves to be applauded in this manner.

Your submission should include the name of the nominee and a short written explanation of how you think your candidate impacted and/or inspired the Canadian Helicopter industry in an outstanding manner.

Nominations for candidates for the Agar/Stringer award will be accepted by the HAC Board of Directors up to and including October 1, 2017. We therefore request nominations be forwarded to the HAC Administrative Office: 2210 Prince of Wales Drive, Unit 502, by fax 613-369-5097 or by E-mail: [barb.priestley@h-a-c.ca](mailto:barb.priestley@h-a-c.ca) no later than October 1, 2017. The nominator's company must be a member in good standing of HAC as of October 1, 2017.

The award will be presented at HAC 2017 in Ottawa, November 11, 2017.

Regards,

Fred Jones BA LLB  
President & CEO
