

Members and Supporters of HAC have access to the “Members-Only” area of the HAC website, accessible through www.h-a-c.ca.

The site is intended to facilitate communications between members of HAC's 9 Standing Committees. To take advantage of this member benefit you will need to identify someone inside your company who will contact access by your company's employees to the site. This person may authorize as many individuals as your company sees fit. The individual controlling access will be sent instructions on how to add, or removed company personnel from access to the site.

During initial application and annual renewal, you may identify key personnel from your organization that will be provided access passwords by HAC.

HAC currently has 9 standing committees: Air Taxi; Flight Training Units; IFR & Advanced Technology; Maintenance & Manufacturing; Oil & Gas; Safety Forum; Utility Flight Operations; Dangerous Goods & Human Resources. Access is only available to HAC members and supporters with a Username and Password.

We encourage you to participate on our Committees and on the site.
