

Thank you for your interest in the Helicopter Association of Canada.

Individual Supporters are persons whose name appears on the HAC Membership Directory (sorry no corporate affiliations will be listed under individual membership).

Individual Supporters are often formally retired from the industry; most often affiliated with Operator or Associates companies bringing a wealth of experience and industry knowledge. They also have access to HAC executive counselling services with access to the HAC member's only site to actively participate in Committee deliberations of various industry issues and are on the HAC mailing list, which keeps them informed.

Considering Individual Supporters are admitted to the HAC Annual Convention & Trade Show at discount rates, the individual Supporter fee is very inexpensive.

The HAC Individual Supporter Application can be retrieved here. <http://www.h-a-c.ca/Individual-Application.pdf>

We look forward to hearing from you.
