Helicopter Event

CANADA 150

Message from HAC's President & CEO **FRED JONES**

On behalf of HAC Board of Directors and the Members of the Helicopter Association of Canada, thank-you for your interest in our 22nd Annual Convention and AGM. This year's Convention will celebrate 22 years of service to the Canadian Helicopter Industry.

We invite you to consider raising the profile of your company through our 2017 Convention Sponsorship program. At the same time you will be helping to support your association, and its advocacy efforts. Together, we can make the Canadian helicopter industry stronger. This year's Sponsorship Program will provide unprecedented visibility and exposure for your company at what promises to be one of the most well attended conventions to date. The 2017 program will be unique and will offer a variety of new opportunities for our Sponsors, to reflect some exciting updates to the conference program, while maintaining our tried and true events such as the SKIDZ Bar, and new opportunities for our operator-members to visit and network in the trade show.

We are expecting roughly 700 delegates in attendance in Ottawa – our first time back since 2012 - and there have been changes everywhere in preparation to celebrate Canada's 150th. This year, HAC has a communication plan to ensure that our Convention Sponsors reach their clients and prospects using Social Media, a dedicated web-site, Twitter, e-blast campaigns, promotion of our event at related shows, through media partners and through visibility on partner web sites. In addition, for 2017 we are also adding a conference web-APP to take sponsorship visibility to the next level. Your sponsorship support will garner unprecedented collateral exposure.

Network with your customers and prospects all in one place at our legendary social events, and make sure that your company is noticed. Banners, receptions, luncheons, or coffee breaks – we have sponsorship items to suit every budget. Canada's helicopter operators do business with HAC's Associates and exhibitors. Join us as an exhibitor and Convention Sponsor November 9 - 11, 2017 at the Westin Ottawa, Ottawa Ontario, Canada. I look forward to seeing you there!
