

HAC 23rd Annual Convention and Helicopter Safety Forum
Fairmont Waterfront Vancouver & Vancouver Convention Centre
October 31 – November 4

PROFESSIONAL DEVELOPMENT TRAINING/WORKSHOPS

WEDNESDAY, OCTOBER 31

0830 - 1630	<p><u>Long Line Boot Camp</u> <u>Introduction to Vertical Reference Long-Line External Cargo</u></p> <p>PRESENTER: Robert Libby, Advanced Helicopter Training</p>	Fairmont Waterfront Cheakamus
0830 - 1600	<p><u>CRM for Helicopter Pilots and Air Crew</u></p> <p>Intended for single pilot operations Any person who can have an effect on the safety of your operation should be included.</p> <p>PRESENTER: Randy Mains, Internationally Certified EASA CRM Instructor & Facilitator</p> <p>The CRM course being delivered this year was precipitated by the publication of AC 700-042 (http://wwwapps.tc.gc.ca/Saf-Sec-Sur/2/NPA-APM/doc.aspx?id=10741) and a looming requirement for CRM training for many of your company personnel. The course is aimed at providing course participants with the knowledge they require to develop the generic elements of a CRM course of their own. The topics covered are set out in Table 2 at page 8 of the AC. The CRM course, being delivered by Randy Mains (http://www.randymains-crmi.com/), will not be an "approved" course, because only your POI can approve your company-specific CRM course. The course will help prepare the course participants to develop a company-specific CRM course of their own, and will qualify as a "CRM course" for the purpose of qualifying your instructor, according to the guidance contained in section 6.3 3. c. of the AC.</p> <ul style="list-style-type: none"> Attendees will receive a Certificate of Attendance that is compliant with the requirements of AC No. 700-042 CRM http://www.tc.gc.ca/en/services/aviation/reference-centre/advisory-circulars/ac-700-042.html 	Fairmont Waterfront Mackenzie II
